

Step 3 - Admin Training

Published on 06/08/2017

Overview

Through a combination of self-paced guided learning and training calls with your Customer Success representative, your Admin Users will become comfortable with the features and powerful customization options available in inMotion. Our goal is to help make your Admins inMotion experts!

Customer Prerequisites

- Complete two self-paced learning guides.
 - [Self-Paced Guide: Feature Overview](http://guide.inmotionnow.com/help/self-paced-feature-overview) (<http://guide.inmotionnow.com/help/self-paced-feature-overview>)
 - [Self-Paced Guide: Account Customization](http://guide.inmotionnow.com/help/self-paced-account-customization) (<http://guide.inmotionnow.com/help/self-paced-account-customization>)
- Practice, practice and more practice is key!
- Compile a list of questions to be reviewed during follow-up calls

inMotionNow Responsibilities

- Provide self-paced learning guides and instruction
- Conduct Feature Review and Account Customization follow-up calls to answer questions compiled during self-paced learning exercises

Next Steps!

- Complete [Team Training Outline](http://guide.inmotionnow.com/help/team-training-outline) (<http://guide.inmotionnow.com/help/team-training-outline>)
- Move on to [Step 4 - Team Training](http://guide.inmotionnow.com/help/onboarding-team-training) (<http://guide.inmotionnow.com/help/onboarding-team-training>)
