Item 1 to 4 of 4 Page: 1 of 1 GO Page size: 4 CHANGE

Review + Approval

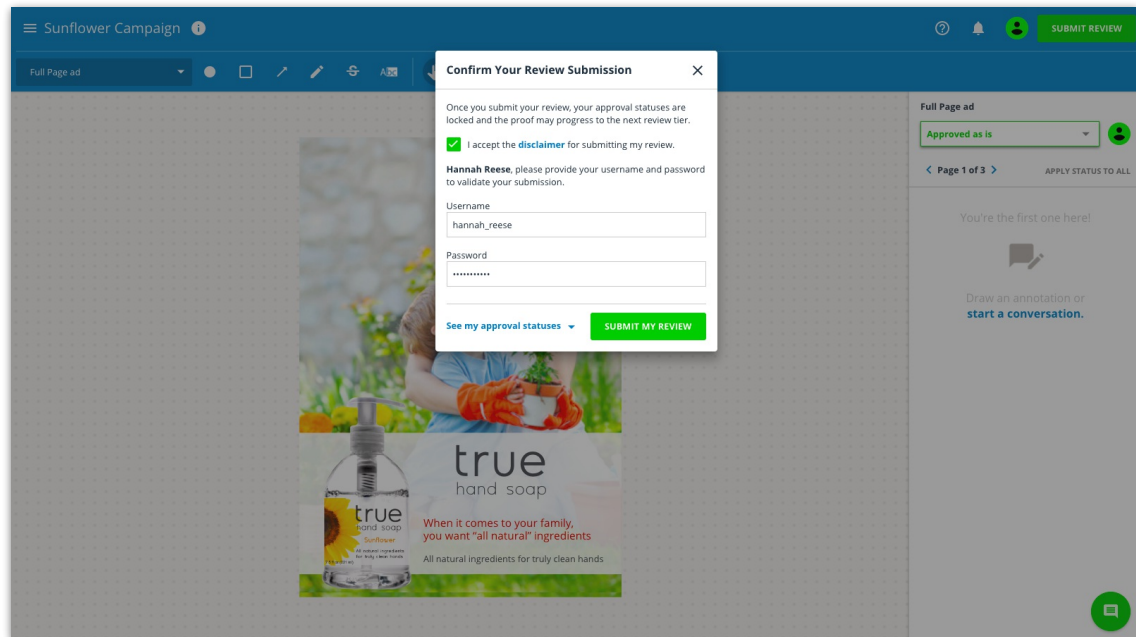

- Added setting to enable [Secure Review Submission](#)

(<http://guide.inmotionnow.com/help/secure-review-submission>) , which allows accounts to comply with FDA's requirements for electronic signatures and electronic records (21 CFR 11)

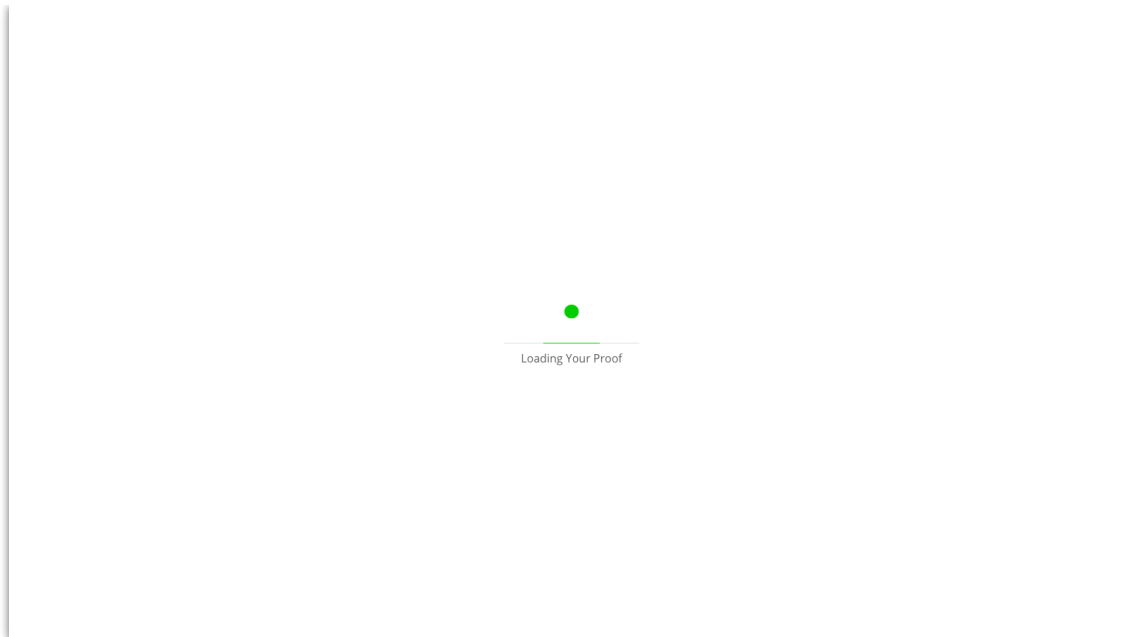

The 'Release Options' form is divided into two main sections: 'Review Interface Options' and 'Email Options'. The 'Review Interface Options' section includes 'Approval Options' with checkboxes for 'Approved as is', 'Approved with changes', 'Change and resubmit', 'Contact me', and 'Not relevant'. It also has 'Other Options' with checkboxes for 'Place proof On Hold', 'Allow forwarding', 'Allow proof download', 'Allow proof printing', and 'Require secure review submission'. A 'Deadline' field is present with a calendar icon. The 'Proof Name' field contains 'Sunflower Campaign'. The 'Subscriber List' section has a link to 'Edit Subscriber Alert Settings'. The 'Web Page URL Reference' is set to 'None'. The 'Email Options' section includes checkboxes for 'Do NOT send an email notification', 'hannah@truesoap.com', 'Include list of Reviewers in the email', and 'Include list of Subscribers in the email'. The 'Subject' field contains 'Proof Available for Review - "Sunflower Campaign"'. The 'Email Body' section has a text area for optional notes. Below this, a red-bordered box contains the text: 'Proof "Sunflower Campaign" is pending your review. Review this Proof (additional details below). Access Code: 9a5c48'. A 'Thank You' message follows, signed by 'True Soap Demo' and 'Paul Morad'. The 'Additional Proof Details' section is partially visible. A 'CONTINUE' button is at the bottom right.

The 'Confirm Your Review Submission' dialog box is overlaid on a campaign page. It contains a disclaimer: 'Once you submit your review, your approval statuses are locked and the proof may progress to the next review tier.' A green checkmark indicates 'I accept the disclaimer for submitting my review.' Below this, it asks 'Hannah Reese, please provide your username and password to validate your submission.' The 'Username' field contains 'hannah_reese' and the 'Password' field is masked with asterisks. There are links for 'See my approval statuses' and a 'SUBMIT MY REVIEW' button. The background shows a campaign page for 'true hand soap' with a product image and text: 'When it comes to your family, you want "all natural" ingredients. All natural ingredients for truly clean hands.'

- Added initial determinate loading indicator

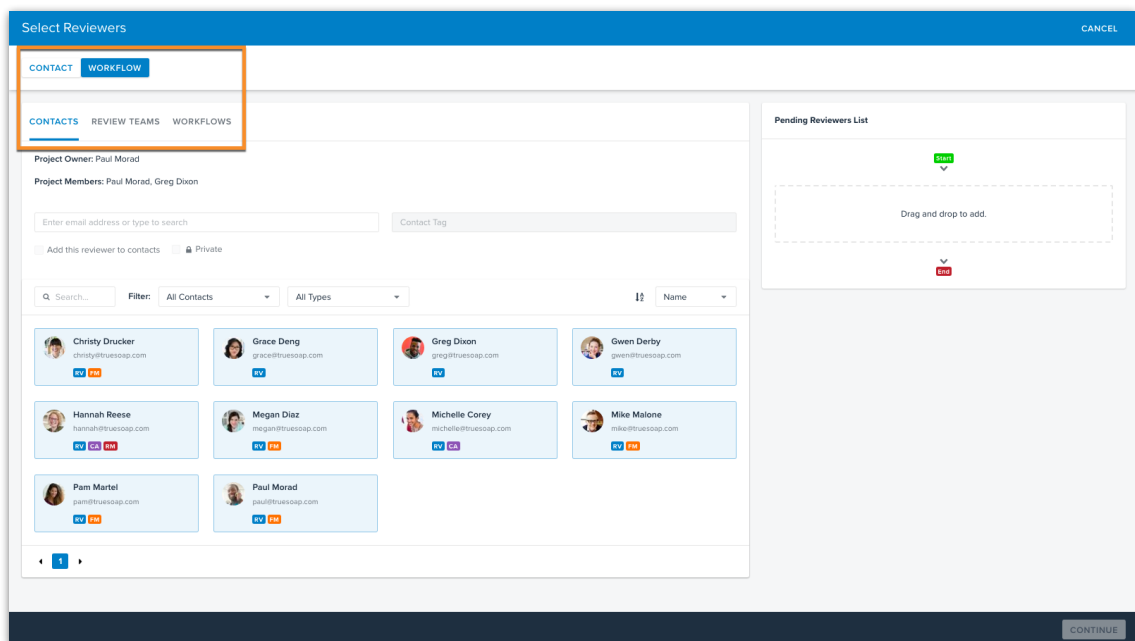

- Added determinant loading indicator when navigating between proof pages

Improvements

inMotion

- Separated sub-navigation options on the Select Reviewers page

- Added the ability to clear filters on the My Tasks Workspace & All Tasks

Workspace
